ENG 106

MAT 099

* One laboratory course required

Concentration Electives (21 Credits): Determined in consultation with an academic advisor. Course selection is based upon the needs and interests of the student. It is the responsibility of students planning to transfer to carefully review program options with their academic advisors to insure course sequences meet requirements of the college or university to which they expect to transfer.

General Electives (12 Credit Hours): IDS 107 Personal Exploration and Life Planning required. Select three additional electives appropriate to concentration and transfer requirements.

Participation in Institutional Outcomes Assessment is required for graduation.

As a graduation requirement, all students are required to complete 25 hours of service. Your advisor will provide details for service learning.
