FACULTY – OCCUPATIONAL THERAPY ASSISTANT FIELDWORK COORDINATOR
FULL-TIME FACULTY POSITION

JOB DESCRIPTION
The Liberal Arts and Professional Studies Department at Villa Maria College is currently accepting applications for a full-time Occupational Therapy Assistant Fieldwork Coordinator and teaching position in the Occupational Therapy Assistant program beginning in Fall 2016. Fall classes begin in August 2016 and run through December 2016.

The Occupational Therapy Assistant Fieldwork Coordinator (OTAFWC) will provide OTA students with Level I and Level II fieldwork opportunities. The OTAFWC develops, coordinates, and monitors programming related to student fieldwork experiences. The OTAFWC is responsible for ensuring the program’s compliance with ACOTE fieldwork education requirements and collaborating with fieldwork educators to ensure that fieldwork experiences meet the Program’s objectives. The OTAFWC will also teach courses in the OTA program and will fulfill the job responsibilities of full-time faculty members, including program advisement and service to the College.

ESSENTIAL RESPONSIBILITIES:
• Review annually and maintain updated fieldwork policies and procedures that ensure compliance with the Standards for an Accredited Educational Program for the Occupational Therapy Assistant;
• Document all fieldwork experiences that are provided to students, including mechanisms for formal evaluation of student performance;
• Ensure the fieldwork experience is designed to promote clinical reasoning and reflective practice, to transmit the values and beliefs that enable ethical practice, and to develop professionalism and competence in career responsibilities;
• Collaborate closely with practicum and clinical instructors to develop fieldwork experiences that most closely match the course learning objectives;
• Support the academic mission of the OTA program and the college as a whole;
• Assign all eligible students a fieldwork experience;
• Maintain documented current immunization status according to Program policy;
• Develop and maintain contracts and agreements with fieldwork sites;
• Maintain a collaborative relationship with fieldwork educators. This includes making regular, periodic contacts with fieldwork educators at sites where students are attending;
Visit fieldwork sites regularly;
Identify and develop new sites for fieldwork education that provide the best match with the Program’s mission and philosophy and opportunities for the application of concepts presented in the classroom;
Assist with the development and implementation of policies for the withdrawal of students from fieldwork education placement when necessary;
Orient students to the general protocol for fieldwork experiences and provide them with the appropriate resources associated with fieldwork selection;
Reassign students who do not complete original fieldwork assignments in accordance with OTA Program and College policies;
Contribute to the advertising and promotion of the OTA program through an interdisciplinary approach;
Review the quality and appropriateness of fieldwork experiences (facilities, fieldwork educators, intervention types, etc.) by considering student feedback, site visits and other information in order to make recommendations for continued partnerships;
Facilitate the resolution of fieldwork issues affecting the student’s academic performance;
Advise students regarding fieldwork site selection;
Ensure that student fieldwork attendance hours meet or exceed the Program’s requirements;
Assist fieldwork educators with students who require special accommodations in accordance with the Americans with Disabilities Act (ADA);
Coordinate educational opportunities for clinical instructors;
Ensure the ratio of fieldwork educators to student(s) enables proper supervision and the ability to provide frequent assessment of student progress in achieving stated fieldwork objectives;
Teach OTA courses in accordance with the policies and procedures of the College;
Provide academic advisement for students in the OTA program;
Provide service to the program, Department, and College, including participating in recruitment activities and committee work;
Participate in the ongoing review and improvement of the OTA curriculum;
Support the philosophy and objectives of the College;
Participate in College functions;
Serve on committees of the College;
Other duties as assigned to meet the mission of the College.

ESSENTIAL QUALIFICATIONS:
Minimum Position Requirements:
- Master’s Degree required;
3 years of clinical practice experience as a COTA;
Initially nationally certified and currently licensed to practice OT in the State of New York;
Current driver’s license;
Fieldwork educator experience;
Current NBCOT certification required;
Current AOTA membership.

Knowledge, Skills, and Abilities Required:

• Commitment to the College and OTA Program’s mission and philosophy;
• Thorough knowledge of ACOTE regulations pertaining to fieldwork;
• Understanding of the Program’s curriculum design;
• Knowledge of the Program’s policies and procedures relating to fieldwork;
• Ability to work collaboratively with course instructors and support staff;
• Ability to work independently without close supervision;
• Knowledge of current developments in the field;
• Strong organizational skills;
• Strong computer skills including the use of Microsoft Office applications;
• Excellent interpersonal and communication skills, especially via telephone and e-mail;
• Ability to deal effectively and fairly with a variety of individuals in a courteous manner;
• Ability to speak, read, and write the English language effectively;
• Ability to present a positive and professional image when representing the college;
• Ability to safeguard confidential information;
• Ability to perform all the essential functions of this job.

SALARY: Negotiable

APPOINTMENT: August 2016.

PLEASE COMPLETE THE ON-LINE APPLICATION PROCESS FOUND AT:
jobs.villa.edu

When you have completed the on-line application process your information will be forwarded to the Search Committee for their review. The Search Committee will carefully review each resume and select the strongest candidates. Once the selection process is completed, qualified candidates will be contacted for an interview.
