

**See for yourself.**

## Career Path: **Game Design**

All students enrolled in Villa’s Game Design Program will have access to a newly renovated state-of-the-art Digital Media & Design Center. The space is equipped with industry-leading software including Adobe Production Premium, Microsoft Office Suite, Avid M Box, Final Cut Pro, HDTVs and more. Students also have access to other on-campus facilities, including:

**Art Shop // Photography Lighting Lab  
Stop Motion Studio // Recording studio**

### **Internships**

As you complete your degree, you’ll begin to consider what field you’d like to dedicate your career to. Completing an internship can help give you an idea about which area you feel most passionate about. To date, our students have worked at the following companies:

**Wolfjaw Studios // Uphoria Studio // Epic Games  
Blizzard Entertainment // Bungie // Gameloft**
