

Taking our student-centered approach **to the next level.**

INTRODUCING THE SCOTT BIELER  
CENTER FOR ACADEMIC EXCELLENCE

[VILLA.EDU/BIELERCENTER](http://VILLA.EDU/BIELERCENTER)

A Felician Sponsored Ministry

**Excellence  
elevated.**

At Villa Maria College, our mission is to transform lives by empowering students with **pathways to a brighter future**. Academically, we offer students the majors they want while providing the workforce with the educated and trained employees they seek. Students today need more assistance in and out of the classroom than ever before. **Student support** is at the heart of what we do, and now is the time to reach even more students.

**Join us in creating the Scott Bieler Center for Academic Excellence.**

**20,000 square feet**  
to elevate student achievement

Over the past decade, Villa Maria College has been an innovator in student success. With a leadership gift from Scott Bieler, we are transforming our library into the central resource for academic success to help current and future Villa Vikings achieve their dreams.

The Scott Bieler Center for Academic Excellence will empower students **to reach their full potential**.

The Bieler Center will be a contemporary space where students can receive the critical academic, social, and emotional support they need to be successful. When students need help with a paper, need a quiet space to study, need to prepare for a job interview, need to plan their courses for the next semester, need to find information, or need a shoulder to cry on, the Bieler Center is the one place they will turn.

**JAN. 2024**  
construction begins  
**AUG. 2024**  
ribbon cutting

**The Scott Bieler Center for Academic Excellence will:**

- Bring together the Library, Student Success Center, Counseling Center, Career & Internship Services, Achieve Center, Information Technology Services, and more, under one roof.
- Provide new opportunities for student collaboration.
- Create a modern and welcoming space that will attract future Vikings.
- Support students far beyond the classroom and into every facet of life.
- Create a state-of-the-art information literacy classroom.

**See what it means to give.**

The Bieler Center will help students fully discover and unlock their potential, making a positive change in Western New York. As the largest project in the College's history, the Center will have a monumental impact on our campus and our students.

**See the possibilities for yourself.** Visit [villa.edu/BielerCenter](http://villa.edu/BielerCenter) to explore the project and learn more about ways to support the elevation of academic excellence for Villa students.
